Mardi Gras came to ACCT on February 20!  
Sally, Maurisa, Christin and Pam created a classic celebratory meal of Muffulettas, Chili beans, Chips and KING CAKE!  
Thank you ladies for making this a fun and filling lunch for the 50 clients and guests.

The "Marks" attended a CDC training in Houston to become Personalized Cognitive Counsellors. The training presented by the San Francisco Department of Public Health was an in depth education in one on one counselling interventions during HIV testing. The training focused on assisting MSM's to examine their justifications for engaging in condom less anal intercourse .
