HIV TESTING

We are relaunching our Free and Confidential HIV testing program! If you or anyone you know is interested in getting an HIV, contact us by phone. We are currently doing HIV testing by appointment only! Some of the safety measures we are taking are:

- Having Clients and Staff wear masks and gloves
- Administering test behind a plexiglass divider
- Disinfection before and after every client

Thank you for your understanding and we are happy to be getting back in the swing of things.

-ACCT Outreach Dept.

Care Communiqué

October 2020

PANTRY DAYS

October pantry days will be:

October 5th, 6th and 7th - 11am to 3pm

October 12th, 13th and 14th - 11am to 3pm

In addition to the normal pantry provided to all clients, we will be providing another cleaning supply pantry filled with various items to keep your home and self squeaky clean! During the normally scheduled pantry distributions, all ACCT active clients will receive a \$20.00 gift certificate to Walmart to purchase additional food items to assist in maintaining their health. Clients with additional dependents will receive an additional \$20 gift card for a max of \$40 per client. The client will sign that they received the gift card at the time of issuance attesting that they have had an additional burden financially during the COVID Pandemic and that they will use the issued Walmart cards to buy vegetables, dairy and meat that is not able to be provided in the normal distributions.

PROJECT GOOD HOPE

Project Good Hope (PGH) through Goodwill Houston is currently accepting new clients into their program. PGH focuses on teaching skills on how to succeed in the workplace, creating and maintaining strong relationships, and mapping your employment future. They also help with job placement services and follow you on your journey.

To be eligible for this program you must be HIV positive or live in a household with someone that is HIV positive. If you are interested or would like more information call 713-699-6306 to speak with an employment specialist. Be prepared to provide:

- Photo ID and Social Security Card
- Proof of HIV Status
- Proof of Income

CALLING ALL THE LADIES

The Grace Project is going virtual! If you signed up to go to the conference that was unfortunately cancelled due to COVID 19, you are still able to participate. In the August 2020 newsletter, that is sent to all women that have previously signed up for the conference, there are instructions on how to register. But just in case you missed it, visit virtual.legacygraceproject.org. Registration is now open for anyone that would like to be involved! The virtual conference will be October 23-25, 2020. If you need assistance in registering or have any questions, reach out to Christin with ACCT at 409-763-2437.

AVENUE 360 TRAVEL ASSISTANCE

Dental hygiene is an important part of overall health. Avenue 360 is still a resource that clients can use in order to keep their teeth clean and healthy! Since having to cancel our monthly van trips to Avenue 360, we know that our clients might have barriers to getting to their dental appointments. Although providing transportation with the van is still a tool that we cannot use, Avenue 360 is making appointments. If you have an upcoming appointment, gas vouchers are an option for you to get there. Call ACCT with your appointment date and time and we will take care of it from there!

COVID-19 VACCINE STUDY

The basis of this study is that half the people who enroll will get the actual vaccine and the other half will receive a placebo (normal saline). They will then monitor for cases of COVID illness to assess if there is a difference in the number of COVID illnesses between the vaccine versus the placebo groups. The hope, of course, is that the vaccine group will have fewer episodes of illness.

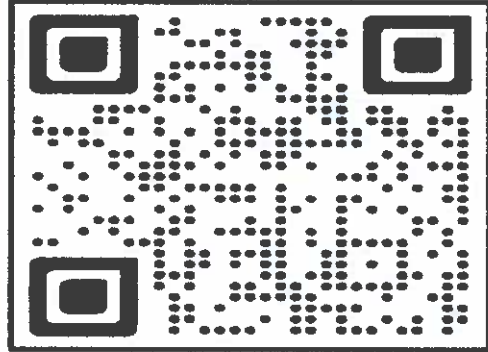

HIV positive participants with CD4 count ≥ 350 cells/mm³ and an undetectable HIV viral load within the past year which do not lead to changes in antiretroviral therapy [ART] are permitted.

Participants must be available for about 7 scheduled study visits over approximately 24 months. For more information on this study as well as a longer list on inclusions/exclusions, reach out to sally @ slaird@acctexas.org
