WISH LIST

- We are asking for new/unused Christmas cards for our clients to send to their friends and family. ACCT will provide the stamps.
- ACCT REALLY needs a bike rack for the building. Many of our clients ride bikes for their transportation. It is not allowed to store the bikes inside and outside they may ride off with a new owner. A new/used bike rack or a creative solution for serving these important modes of transportation would be a great addition to our center.
- Does anyone have extra hangers? We are getting a lot of nice clothing donated and need to hang them for better display. A couple of rolling racks would be great too!
