CONSUMER ADVISORY BOARD

Exciting news! The Consumer Advisory Board (CAB) of ACCT is discussing the possibility of starting a home delivery of Pantry for those clients that need a little extra assistance. There are several hurdles to get over, but this may be an attainable goal. The CAB has asked me to invite anyone interested in being a driver/ helper, or just help on the committee to meet on Thursday April 10th after the noon lunch for a "strategy session". This is an exciting way to help those that are having a hard time helping themselves. If you are interested please attend!
